While payments by credit card are possible the CWEA recommends payment by bank transfer. Given the number of payments we receive each month PayPal is the only economical means of receiving payment open to us. If you are willing to open a PayPal account this works well. You can use your credit card without a PayPal account but you will be required to specify your billing address, email address and a phone number. Even after specifying all this information PayPal sometimes rejects the payment. If the credit card payment is cancelled by you, or somehow fails, you won't be able to enrol for that course until we manually cancel the internal order; please phone the office on 366 0285.

The image shows a PayPal checkout page with several callout boxes and arrows pointing to specific elements. The page includes a header with the PayPal logo, a shopping cart icon showing \$31.00 NZD, and a language dropdown set to English. Below the header, there is a 'Log In' button and a 'Pay with debit or credit card' section. The card details section includes fields for Country (New Zealand), Card number (5191 6546 5678 1234), Expires (10/18), CVV (456), First name (John), and Last name (Doe). The Billing address section includes fields for Address line 1 (23 Some St), Address line 2, City/Suburb (Fendalton), and Postal code (8083). The Contact Information section includes fields for Phone type (Mobile), Phone number (0214449999), and Email (john.doe@gmail.com). At the bottom, there is a section for creating a PayPal account, with radio buttons for 'Yes, I'd like to create a PayPal account' and 'No, I don't want an account now'. The 'No, I don't want an account now' option is selected. There are also checkboxes for 'I confirm that I am of legal age and agree to the PayPal Privacy Policy' and a 'Pay Now' button.

Click on "Pay with debit or credit card". (Alternatively, if you have a PayPal account you can click on "Log In" to use that account to pay.)

Enter your credit card details. This includes the address your credit card company sends your bill to. A phone number and email address are also required by Pay Pal before it will accept credit card payments. Unfortunately none of this information is remembered for next time.

Assuming you don't want to open a PayPal account select "No, I don't want an account now", tick "I confirm that..." and click on "Pay Now". Cross your fingers and hope it all works, it usually does!
