

Greetings

I hope that this newsletter finds you well. If you have a red dot on your programme this is just a reminder of membership renewal.

Please feel free to contact us if you encounter any issues with our website and the online booking system, it is a bit of a catch 22 we only know we have problems when the usage of the website increases. I am contactable via phone or email and Wendy Butcher is also on hand to assist with any issues. Thank you again for your patience.

Term 3 again sees new tutors joining the WEA, I believe that supporting the next generation of tutors and academics is an important role for the WEA, so I welcome them and I am sure that you will also make them feel at home. Thank you again to our returning tutors your participation and expertise is how we offer such a high standard of learning.

Like many organisations we are always on the lookout for more volunteers, if you feel that you could assist us in any way please call or pop in and see us.

I hope you enjoy looking through the new programme, please share with others who you think might be interested.

From myself and the team here at the WEA we hope that we will see you all soon.

Kind regards

Shannon Swann

Programme co-ordinator
